updated 25. 9. 2023 | published 25. 9. 2023

### Summary

A clean and simple vase mode trophy with separate base.

[Art & Design](#) > [Other Art & Designs](#)

Print the trophy in spiral vase mode using thick layer lines (e.g. 0.28mm). The base prints normally with 15% infill to add a bit more weight.
