Summary

This is a Battery holder for AAA batteries

[Gadgets](#) > [Other Gadgets](#)

Tags: [battery](#) [gear](#)

To use put your AAA batteries in the sockets on the top, there is a hole on the base so batteries can fall out. Spin the handle and watch the batteries fall out, dont spin it to fast or the batteries wont fall out.

Printing:

Print 1 base

Print 1 maingear

print 2 innergears

Print 1 handlegear

Assembly:

Step 1: Place Maingear on of the base

Step 2: Place the 2 Innergears on the base
