**“Personally, I liked the university. They gave us money and facilities, we didn't have to produce anything! You've never been out of college! You don't know what it's like out there! I've WORKED in the private sector. They expect \*results\*.”**

8x3mm magnets to be glued in

15% infill used in example

-example printed on an MK4 using prusament filaments (PLA)

**If you'd like to shoot some spare change or a dollar my way, you can donate [here](#) (paypal).**

**Quick Update:** Had a lot of life events happen this year and haven't been able to create for a bit. Should be getting back into it :)

**(check out my profile for more pop culture magnets, including the Venkman and Spengler magnets!)**
