### “Here we go!”

8x3mm magnets to be glued in

15% infill used in example

-example printed on an MK4 using prusament filaments (PLA)

**If you'd like to shoot some spare change or a dollar my way, you can donate [here](#) (paypal).**

**Quick Update:** Had a lot of life events happen this year and haven't been able to create for a bit. Should be getting back into it :)

(check out my profile for more pop culture magnets!)
