### Summary

A printable door release lever for Panasonic microwaves matching PN F82565Y00AP

[Household](#) > [Kitchen](#)

Tags: [microwave](#) [panasonic](#) [appliancepart](#)

A printable door release lever for Panasonic microwaves matching PN 5Y00AP / F82565Y00AP. Slightly modified with more internal vertical supports to make the part a bit stronger and print friendly.

Print with the 45 degree surface aligned to the bed and with supports enabled. I recommend printing the hinge and lever sections solid by adding overlaps to modify those sections. I used PETG for this part.
