Summary

Pencil holders that look like motorcycle tires

[Household](#) > [Office](#)

Tags: [pencilholder](#) [tires](#) [motorcycle](#) [dirtbike](#)

Do you find yourself needing to shove large volumes of pencils, pens, and markers somewhere? These fake tire stacks might be for you. Both versions should print easily with no support necessary.

Rather just buy one? Get them here: <https://kirkmakesthings.etsy.com>
