Stylish Attachments for AirPods Max - Personalize Your Headphones!

Description:

Personalize your AirPods Max with our stylish add-on! This smaller-sized model, printed without attachments, allows customers to easily attach it to their headphones using double-sided adhesive tape, adding a touch of uniqueness to their look.

Features:

- **Perfect Fit:** The smaller size of the model ensures a seamless fit onto your AirPods Max.
- **Diverse Material Options:** We offer the model in STL format, giving you the freedom to print it in various materials such as plastic, polymer, or metal.

- **Easy Attachment:** Customers can conveniently attach the printed add-on to their headphones using double-sided adhesive tape, ensuring a secure hold.
- This add-on is a fantastic way to complement your style and make your AirPods Max truly one-of-a-kind. It also makes for a wonderful gift, allowing your friends and loved ones to showcase their individuality.

Don't miss the chance to elevate your headphone game with our unique AirPods Max add-on.

Share your feedback and pictures of your headphones with the add-on, and let us know how you've personalized your look. Thank you for supporting us!

3D PRINTING SETTINGS

Please make sure before printing that your printer is calibrated and the correct settings are set suitable for the material from which you are printing the model.
