## Universal Stylish Add-on for Headphones - Personalize Your Headset!

### Description:

Transform your headphones into a unique accessory with our universal stylish add-on! This model, suitable for all types of headphones, is designed without attachments, making it easy to attach to any pair of headphones using double-sided adhesive tape, adding individuality and character to your look.

### Features:

- **Universal Fit:** Our add-on is perfect for all types of headphones, providing an excellent fit and comfortable use.

- **Diverse Material Options:** We provide the model in STL format, allowing you to 3D print it in various materials such as plastic, polymer, or metal.
- **Easy Installation:** Attaching our add-on to your headphones is a breeze! Use double-sided adhesive tape for a secure hold.
- This universal add-on is a fantastic way to give your headphones a unique style. Regardless of the headphone model, you'll have the opportunity to express your individuality and showcase your character.

Don't miss the chance to elevate your look with our universal stylish add-on for headphones.

Please, share your feedback and pictures of your headphones with the add-on! We look forward to seeing your creative ideas and impressions. Thank you for your support!

### 3D PRINTING SETTINGS

Please make sure before printing that your printer is calibrated and the correct settings are set suitable for the material from which you are printing the model.
