updated 31. 7. 2023 | published 31. 7. 2023

## Summary

A simple display for DBloons

[Household](#) > [Office](#)

this is a basic display for DBloons from [Desert Bus for hope](#) by LRR posting this here so others can print it that need it

For those of you that dont know what Desert Bus for Hope is here is an (old) video on it

STLs made by xyjulie (from the LRR Discord) based off my design

## Model files

**dbloon-basic-stand-v2.stl**
