Summary

A remix of @jorge_6244's Tools and Accessories Box, but with space for PTFE tubing

[3D Printers](#) > [Accessories](#)

Tags: [bambulab](#) [toolholder](#)

A remix of @jorge_6244's Tools and Accessories Box. I'll never have the number of hot ends his original is designed for, but I did need space for the extra PTFE tubes. So I made that part. As well as a cover that fits it.

Donate to [@jorge_6244](#) if you like the design.

This remix is based on

Bambu Lab - Tools and Accessories Box
