## Summary

This thing is a replacement switch housing for a friends older electric lawn mower.

[Household](#) > [Outdoor & Garden](#)

Tags: [mower](#) [lawnmower](#)

This thing is a replacement switch housing for a friends older electric lawn mower. This type switch was used on a number of electric mower brands in South Africa. (Wolf, Trimtech, Tandem.... to name a few.)

The part was designed using Onshape. The walls were made thicker than the original and gussets / posts were added to strengthen the holes the mounting rivets go through.

## Print instructions

Unassociated tags: electric mower
