### Summary

I saw other mario boxes but they were hard to print because of the fillets on the edges.

I saw other mario boxes but they were hard to print because of the fillets on the edges. This box is to organize your money so you don't have it laying around everywhere. To firmly close the lid you'll need 8 magnets. Size: 6X3mm

For the version with embedded magnets see: <https://www.printables.com/model/391483-mario-piggy-bank-v2>
