Summary

Phone and AirPods holder for the Honeycomb Storage Wall, with the phone facing towards the wall.

[Hobby & Makers](#) > [Organizers](#)

Tags: [hsw](#) [airpods](#) [phone](#) [honeycombstoragewall](#)

The rotated phone-holder is useful when you are looking at your HSW from behind, for example when attaching a honeycomb-grid to the bed frame and using it as a nightstand.

This remix is based on

Honeycomb storage wall
