Summary

A paint brush holder to store 4 brushes horizontally.

[Hobby & Makers](#) > [Organizers](#)

The dimensions are approximately 110x63x37 mm (width, height, depth). It was printed on a Bambu Lab P1P with 3 wall loops and no support (all pieces laying down). Print 2 holder pieces and 1 bracket. To assemble, just snap the pieces together.

There is half a millimeter of clearance between the square hole and the cantilevers.
