updated 1. 8. 2023 | published 1. 8. 2023

## Summary

The first sterilization made the adapter of the mouth piece shrink a bit in size, a replacement was needed

Tags: [beurer](#) [beurersrih1](#) [inhaler](#) [thingiverse](#) [medical](#)

The first sterilization made the adapter of the mouth piece shrink a bit in size, so the whole thing did not properly fit anymore. Printing a new one was easier than complaining.

Use TPU or a similar soft material, otherwise you might damage the hard plastic parts.
