## Summary

Frame for Filament Spool Winder by V3 Precision

[3D Printers](#) > [Accessories](#)

Tags: [filamentholder](#) [filament](#) [winder](#) [frame](#) [spool](#)

Frame to mount the Filament Spool Winder on.

From <https://www.printables.com/model/435415-filament-spool-winder> (V3 Precision).

M5 heat inserts from CNC Kitchen fits in the screw holes.

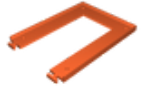

You need a print bed of at least 230mmx230mm to print the parts.
