Summary

I wanted a lid for the stackable HexTray...

[3D Printers](#) > [Accessories](#)

I wanted a lid for the stackable HexTray that I found on this website. I used the same settings as the original HexTray, so printed in Vase mode, see original (<https://www.printables.com/model/514142-vase-mode-stackable-hextray-60-mm-hexagons>) for the correct settings.

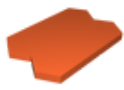

This remix is based on

Vase mode stackable HexTray (60 mm hexagons)
