updated 15. 8. 2023 | published 15. 8. 2023

### Summary

Protects your fan from being destroyed by angry filament. Ask me how i know...

[3D Printers](#) > [3D Printers - Upgrades](#)

Tags: [30mm](#) [fancover](#) [voron](#) [vov0](#) [v0vo](#)

It is intended to be used with the **Voron Zero (V0VO) toolhead**, but can be fitted on every other 30mm fan too of course

### This remix is based on

**Fan Cover 40x40x20**
