updated 1. 8. 2023 | published 1. 8. 2023

Summary

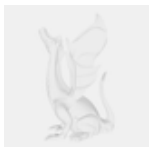

simple remix of the existing pcb din clip to reduce wobble when used

[3D Printers](#) > [3D Printers - Upgrades](#)

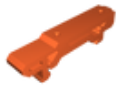

Tags: [voron](#) [dinmount](#) [dinclip](#) [din](#)

Nothing fancy, just a wider version of the original din clip (4mm wider)

This remix is based on

Model files
