updated 1. 8. 2023 | published 1. 8. 2023

Summary

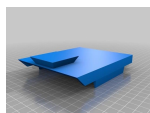

reoriented and improved some small details for better printability

[Gadgets](#) > [Photo & Video](#)

Tags: [polaroid](#) [tripod](#) [polaroidsx70](#) [sx70](#)

Took the original model and made slight variations to improve its printability. Print as oriented with supports!
