Less than 10 percent of people who download an item click the “like” button. Be the 10 percent. Click the “like” button and show your support. If you find this model useful, feel free to [buy me a coffee](#).

Here's a wall hanger for print removal tools such as the BuildTak Spatula. It will also hold tools of similar shape, such as gardening hand tools.

Print without supports. Secure to the wall with two 1/2" or 3/4" #6 or #8 countersunk screws.

I designed this for the 132mm Buildtak tool, but it should also work with the 230mm tool.

You can purchase BuildTak Spatulas here: <https://www.matterhackers.com/store//buildtak-spatula-print-removal-tool/sk/MHQJHZ52>

Print instructions

Print without supports.
