Summary

Remix of @ColinB LCD Cover - added chamfers, more detailed font (Arial Black) and changed height of the font.

Tags: [lcd](#) [lcdcover](#) [mk4](#) [prusamk4](#)

I've downloaded **ColinB's** LCD cover, but don't like "sharp edges" and heights. So I've reworked it again:

- keep original base dimensions, but added 0.4mm chamfers
- reworker font in Arial Black with more details and added chamfers
- Made colour changes after 1mm

Print file is included, but if you want to make your own, just add colour change at:

- 2.2mm (White on the image)
- 3.2mm (Orange on the image)

This remix is based on

Prusa Mk4 LCD Cover
