A fun and easy to use sand mold of an emoji.

The model is just under 15 cm in diameter, allowing it to fit even on smaller print beds (such as a Prusa Mini).

So print it for the next vacation.

Update No.1 the beermold (for the parents) ;)

Update No.2 Printables_Sandmold

Update No.3 Prosecco_Sandmold (for the Ladies) [here i lowered the model on the bed a bit]
