## Summary

A fully printable Clamp Vise with little to no support.

[Hobby & Makers](#) > [Tools](#)

Tags: [clamp](#) [shop](#) [vise](#)

This is a fully printable Clamp Vise with just little support needed for selected parts (e.g. "Backe")

I printed this with 8 perimeters to ensure stability - which you might consider, too (at least 5).

This was modeled entirely by myself using onShape.
