Summary

Dom Toretto (Vin Diesel) from the Fast and Furious franchise.

[Art & Design](#) > [Sculptures](#)

Tags: [dom](#) [vin](#) [diesel](#) [fast](#) [toretto](#) [bust](#) [furious](#)

Very detailed model, can be printed at 200-300%.

Tree Supports - Ensure object xy distance is >1mm from the model.
Unfortunately my tree supports were too close to the necklace and I accidentally pulled it off.

Brim - Suggested only for tree supports, although probably fine without them.
