### Summary

Foot for camping chairs with 15mm tube diameter.

Tags: [campingchair](#) [campingstuhl](#)

Since i couldnt find here a fitting design for the lost feet of my camping chair i just made my own. This fits for chairs with 15mm tube diameter. For stability i printed them with 100% infill in red PLA (probably easier to find in the grass than the original black ones, if they come loose, what i could't imagine because of their tight fit).
