updated 18. 7. 2024 | published 18. 7. 2024

Summary

Great cube designed to smoothly fold and entertain!

[Toys & Games](#) > [Other Toys & Games](#)

Tags: [infinity](#) [fidget](#) [cube](#) [cool](#)

Works perfectly with normal settings.

You can add a colour change in the middle to add a cool effect if you want. There are two versions one sharp edges one curved edges both function exactly the same.

If you like this please consider joining my [club](#) for exclusive models and a commercial licence and even CUSTOM DESIGNS!

I'm not sure what else to say, just print and enjoy! :)
