This model is a remix of the card game keeper by Chris.

I have adjusted the height and width of the model to fit a size of the CaBo game which differs in width to all the other card games.

Have fun and happy printing.

Printed at:

Std PLA

0.4 mm Nozzle

20% Infill (zigzag)

0.2 Layer

30/60 mm/s Speed (First/Rest)

Printing Time ~8h
