Summary

An Infill Wallart that is inspired by @megalog__253480 project but with added Features.

[Art & Design](#) > [Wall-mounted](#)

An Infill Wallart that is inspired by @megalog__253480 project but with added Features.

- made the hexagons as large as they could fit on a Voron 0.2
- Added Pins so they do not have to be glued together
- Added a upper Piece so it can be hung up on a wall
