Základna pro dva kusy Zippo ohřívače rukou, dvou plechovek benzínu, nálevky a zapalovače.

Base for two Zippo handwarmers, two cans of lighter fluid, funnel and lighter.

### Print instructions

Jednoduchý tisk. Můj kus jsem tiskl z PLA vrstvou 0.15mm  
Volitelně lze přilepit dovnitř základny kulaté magnety 8x3mm.

No supports or special settings needed. My settings was 0.15 layer with PLA.

After printing you can glue some 8x3 magnets inside of the base for tighter connection.
