Tags: [deburring](#) [box](#) [tool](#) [libraton](#)

Here is a storage box for the Libraton deburring tool found on [Aliexpress](#). It is a remix of the well know [Parametric Rugged Box](#) and I took some inspiration from [Mad3D's Libraton Remix](#), however I did find it was too small for my one and I didn't like the hinge or latch mechanism.

This build requires a total of 6 M3x20 bolts.

### This remix is based on
