updated 2. 8. 2023 | published 2. 8. 2023

Summary

This box is my improved version of the first model. The letters are integrated.

[Hobby & Makers](#) > [Organizers](#)

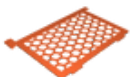

Tags: [organizer](#) [alphabet](#) [sheet](#)

This box is my improved version of the first model ([Link](#)). The sheets are slightly reinforced and are fixed in the box. The letters are now integrated. I needed an additional compartment in the back for storage.
