

Hanging Pot and a Bowl

gillis

[VIEW IN BROWSER](#)

updated 2. 8. 2023 | published 2. 8. 2023

Summary

A hanging Pot with holes for rope/chain or a table bowl without holes

[Household](#) > [Home Decor](#)

Print with default settings

Either use plastic bag or similar to get it water tight or you may experiment with the attached inner pot in vase-mode, maybe it could be water tight thou I haven't succeeded.

The chain links (and the chain link hook) can be downloaded here

<https://www.printables.com/model/537371-chain-link>

The carabiner can be downloaded here

<https://www.printables.com/model/323301-carabiner-pretensioned>

the one I printed was scaled 80%
