updated 2. 8. 2023 | published 2. 8. 2023

Summary

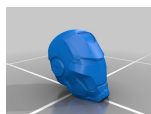

Here is an Iron man helmet 2 part sand mold. It is rounded in the back to support the neck region.

Here is an iron man helmet 2 part sand mold. It is easy to use, and is curved in the back to allow the head to sit on the neck region. I dont have access to any sand, so I was unable to get a picture of it functioning in the real world.
