Summary

this is a stand for loading iwatch and iphone and for the iphone its usable as "stand" only too

[Gadgets](#) > [Portable Devices](#)

Tags: [iphone](#) [holder](#) [stand](#) [iwatch](#)

This remix is done, because it was too big for my prusa mini+
So i cutted it left and right and in the middle and re-assembled it.
All dimensions are the same for watch and mobile except the width of model.

btw i use iphone13max with cover and it fits.
thx for the primaly developer.

This remix is based on

Iphone and Apple Watch Holder
