Little mobile Sheep and Ram designs. Joints are strong enough that children can (and my 2yr old does) throw them around without breaking too easily. Can stand or flop with it's legs out. Eyes designed to be sleeping or awake.

All Teigan Blackshaw designs are under Copyright and you may NOT sell any digital files or prints of my designs.

If you are interested in obtaining the rights to sell commercially, you can join the Patreon [here](#)

Check out my [Facebook](#) to stay up to date with new models and projects if you do not have a Patreon account to access the discord.
