updated 16. 8. 2023 | published 16. 8. 2023

Summary

A low poly abstraction of mountainous terrain.

[Tabletop Miniatures](#) > [Props & Terrains](#)

Tags: [terrain](#) [world](#) [mountain](#) [peak](#) [mountains](#) [acme](#)
[sublime](#)

A rugged mountain landscape in it's most basic geometric form. Great for decoration or tabletop games!

No supports should be needed; print time varies based on infill.

Enjoy!
