A 3D printable Voronoi pencil holder.

Keep your pens and pencils in one place with this stylish Voronoi pencil holder.

The Voronoi cell structure gives this holder an elegant look and translucent features. The model is easy-to-print, strong and stable. It also doesn't need any support material. I recommend tuning your retraction settings and aligning the z-seam, before printing.

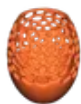

Print time: 4 - 6 hours
- Size: 9 x 9 x 10.6 cm
