Incastro
Organize your desk with style!

Incastro is designed to optimize the space on your desk to contain everything you need.

The base is 240x100mm (3mm radius corners), where you can make various accessories to better manage your spaces.

Constantly updated project with new accessories!

- If you want to participate in the creation of new accessories write me or send me the link so that I can add them.

if you want give me a caffè: <https://www.paypal.com/paypalme/davideantonello>

Print instructions

Phone Holder

tested with:

Iphone 12 pro max

Samsung S20 ultra

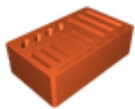

Huawei P20 series

add 100% filling to the base
