quilted

An antique inspired plant pot design with the fill of quilted fabric

Print information:

- Recommended vasmode or semi-vasemode settings (0% infill, 0 top layers, 4 or 5 bottom layers, 2 or 3 outer perimeters - for a stronger print)
- Recommended using a lower layer height (0.15/0.2mm) for better results in details
- Prints very good in any filament
- The model is scalable to your liking

Happy printing!
