Summary

Hi Will, I started from scratch with this helmet.

Costumes & Accessories > Cosplay & Costumes in general

Hi Will, I started from scratch with this helmet. Thanks for the original files but there was a lot of information missing in that model, I pulled it directly from the game for which I had :) Hopefully in this version you will see a vast improvement, Cheers Jace

I also made the opening at the botton 17.5 cms wide to accomidate an adult head,
But do check the sizing suits your needs
