

Cable Organizer

Nordheim

[VIEW IN BROWSER](#)

updated 5. 2. 2024 | published 5. 2. 2024

Summary

To hide long cables.

[Household](#) > [Other House Equipment](#)

Tags: [organizer](#) [cable](#) [organization](#) [cablemanagement](#)

Edit: Updated the V2 base to make it easier to remove → V2.1

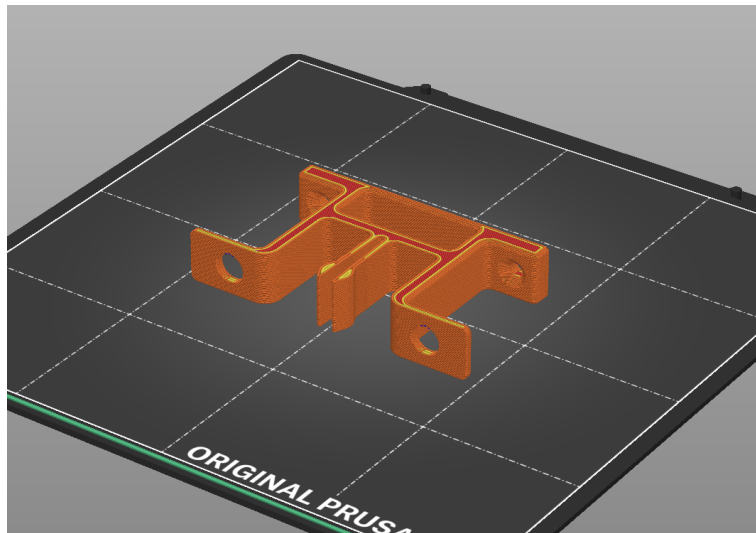

Installation

Attach the base with two screws. Then sling the cables around it and snap the cover in place.

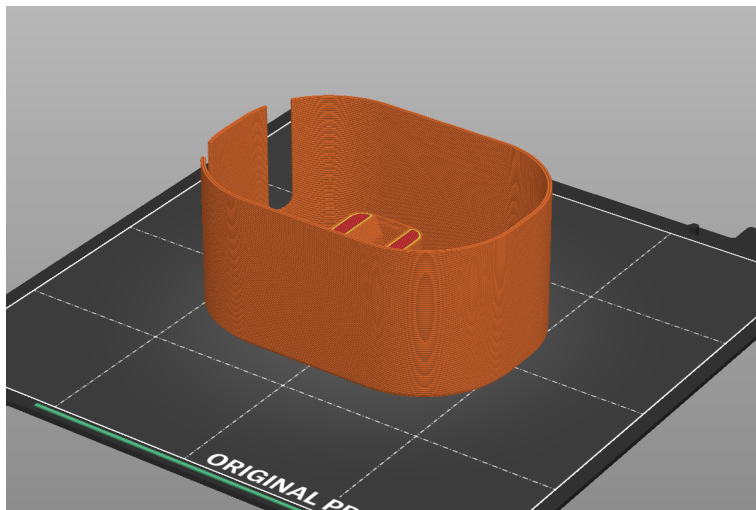

Printing

I added a new version with wider clips that prints without supports.

The base prints on the side. I used PETG for this part

The Cover prints as shown below. I used PLA for this part.

This remix is based on

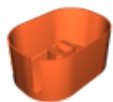

Cable organizer
