Summary

Game card box with sliding lid (Different sizes)

[Toys & Games](#) > [Board Games](#)

Tags: [box](#) [card](#) [game](#) [board](#) [boardgame](#) [cardholder](#)
[cardbox](#) [boardgameaccessories](#) [boxes](#)

Sliding lid boxes for game cards.

The inner measurements are:

- CardBox: 95x72x22mm
- CardBox_FAT: 95x72x32mm
- CardBox_XL: 113x72x32mm

Designed to be printed at 0.2 layer height (otherwise the lid might not work as intended) No supports.

There is a short video with assembly tips in the attached files.

UPDATE 06/02/24: Remixes allowed and .step files uploaded to make it as easy as possible.
