As an owner of 3 cats, my shelf wouldn't be complete without a trio of ghost cats! **If you enjoy these and your fam got a bit of a smile from them, why not grab me a coffee?** Truly, it makes a difference and keeps me motivated to stay active here.

If you have a current seller license, you can sell these prints. However, you are not permitted to sell the files.

Become a supporter and grab yourself bigger ghost cat and dog models with a snap-in area for a tea light. You'll find a big orange-ish “support and join” button to the left of my profile page.

I just finished my Halloween campaign selling these little guys. If you'd like to learn how that went, [there's a post about it here.](#)
