### Summary

Socket holder for wall or pegboard with space for 7 sockets

[Hobby & Makers](#) > [Tools](#)

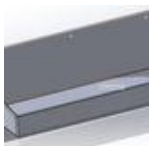

Tags: [pegboard](#) [toolholder](#)

Modified the shelf to fit a set of allen/hex sockets. Made for sockets that are about 24mm in diameter (common for 1/2" allen, torx etc. sockets, but double check before you print.

Model with and without support pegs.

Cad files included for easy modification to your needs.
