### Summary

Magnet holder for magnets with 6mm or 4mm diameter

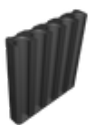

[Hobby & Makers](#) > [Organizers](#)

Tags: [organizer](#) [holder](#) [magnet](#) [organization](#) [stanley](#)

I wanted to store magnets inside my storage boxes from Stanley.  
Specifically this one: <https://www.amazon.de/gp/product/B008DHZXRC/>

This is a simple solution to organize them neatly and still have them handy.
