### Summary

Corolla Sprinter Trueno keychain, with top and side loops

[Fashion](#) > [Other Fashion Accessories](#)

Tags: [toyota](#) [corolla](#) [initiald](#) [trueno](#) [kanseidorifuto](#) [kouki](#)  
[zenki](#) [takumifujiwara](#)

Modeled after the earlier variation (if i'm not mistaken) with wider black margins. Model dimensions are approximately real-size so it's recommended to scale down for use as a keychain. Includes a top and side loop, so you will want to cut one off in slicer or after printing.
