Want the full set?

The DarkHyve Assault bundle is a large collection of 3D printable scenery that is compatible with other sets from our Assault Series terrain range which is 'push-fit' and easy to use. Mix & match walls, pillars, junctions, platforms, doors, accessories and thematic inserts to craft your ideal terrain setup that's different every game!

The core set includes 80+ models with a huge amount of modularity, functionality and interactive features such as hinged and slide-in door options. Combine components in various heights and configurations.

The additional 220+ stretch goal models and choice of add-ons expand the features and themes even more!
