updated 8. 10. 2023 | published 8. 10. 2023

Summary

try to put small electronic device into it. got to make ver2

[Hobby & Makers](#) > [Electronics](#)

inner 25x55x25 mm, wall 1mm

so outer 27x56x26 (bottom +1mm, -1mm top cover stuck inner)

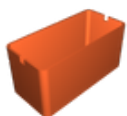

3mm x 2mm hole seem not enough for cable out
