Tags: [ikea](#) [bed](#) [kura](#)

This is a simple self for an IKEA KURA bed with cup holder and small storage for pacifier (designed for 6 or 7 cm diameter cup).

It clips to the edge of the bed. It is designed to hold pacifier and a cup, but I think (totally unverified) the max weight would be a couple of kilograms or so.

Print it with the on the plane side (top) and enable supports to correctly print the storage hole
